CMU Xplore offers courses that investigate dimensions of the Christian faith, our world, and life in it - all without any assignments or examinations! Classes run on Wednesday mornings for 6 weeks, beginning Oct 5. Courses include *Jesus, James, and Paul: Cherished Identity under Pressure* with George Shillington (Professor Emeritus of New Testament). All who delight in a stimulating exploration of faith and life are invited to register. For further information see cmu.ca/xplore.

In August, prolonged rainfall in southern parts of Louisiana resulted in catastrophic flooding that submerged thousands of houses and businesses. MDS teams are currently in Louisiana consulting with local partners on how best MDS volunteers can serve in cleanup, repair and rebuilding. The recovery will take months, if not years, and MDS will be there the entire time. For more information and how to become involved go to the MDS website mds.mennonite.net

Winnipeg Harvest announced on the news last week that their shelves are bare and we certainly noticed it when the truck arrived at our church two days later. We can only hand out what we receive from head office unless we all participate and contribute to this worthy cause and help feed the needy. In the future let's keep filling the yellow barrel with non perishables.

This church has a thriving e-mail prayer chain ministry, however many people are not a part of that ministry, but would like to be. If you would like to coordinate a prayer phone ministry, or receive prayer requests by phone, or would like to organize a regular prayer meeting time in the church, please connect with Jane Woelk, the Pastoral Care Chaplain at 204-339-1691, ext. 227.

**IMPORTANT MESSAGE
from the Care-Giving Committee**
